

Boxborough Conservation Commission Meeting  
Minutes  
Tuesday December 5, 2012  
Town Hall

Members present: David Follett, David Koonce, Dennis Reip, Hoff Stuart, and Rick Williamson.

Rick called the meeting to order at 7:25 PM.

The Commission reviewed correspondence.

The Fabian easement documents are not complete and will be an agenda item for the next meeting on Dec. 19<sup>th</sup>.

The Emanuel Woods conservation restriction is indefinitely deferred.

The Boxborough Conservation Trust requested an extension of their ORAD that theoretically expires in 2013. However, the governor just signed an extension to the Permit Extension Act, giving another two years to the first extended expiration date of qualifying permits. David Koonce will verify.

George Krusen was present to discuss his property and possibilities.

Regarding Open Space and Recreation, Land Ranking, and Land Acquisition, David Koonce will send everyone the state land ranking criteria in preparation for ranking the Wallie, Dee, and BCT parcels at the next meeting. This ranking will be done for potential conservation land acquisition grants the Commission will pursue.

Motion was made by Rick, seconded by Dennis, and unanimously voted to adjourn at 9:15 PM.

Respectfully submitted, David Follett
